THE THOUGHT LEADER

An independent OD consultant from 1985, till date Raja has worked along with diverse Business and Non-Business Organizations as an advisor, Organization development consultant, a Coach & mentor, Trainer and Visiting Faculty. As a consultant, Raja has been a guide and advisor to CEOs and HR heads of corporate organizations. His unique strength lies in his conceptual frameworks and original models, which bring in clarity and positivity to enhance Organizational effectiveness. He has supported a wide range Of corporate and non-corporate organizations as a Consultant, Coach & Advisor in the following 4 areas

- Diagnostic studies
- Organizational work culture
- Team synergy
- Leadership coaching & development

THE POPULAR SPEAKER

As a sought after & powerful motivational speaker, he continues to energize students, corporate teams, Public, Social Service Organizations and institutional audience through special key note addresses, Seminars, and Guest Lectures. He delivers his talks in English, and Tamil. He addresses, on an average, at least one public forum every fortnight. He focuses on corporate issues, socio cultural concerns, Youth leadership, Individual & social transformation, and living positively.

In the recent past Raja has energized the managers & employees of a wide range of business organizations. These include the automobile, pharmacy, IT, engineering and consumer product industries, besides a host of NGOs, educational institutions and public forums. Raja is a very popular speaker in many entrepreneurs' forums such as the Confederation of Indian industries, Chambers of commerce and young entrepreneurs' forums. Besides his consulting and leadership development services to many clients, he is currently a co founder & director at Talent Maximus India Pvt. Ltd. Ltd.–a HR services organization,

CERTIFIED TRAINER AND COACH

Raja has completed his Professional Training in Applied Behavioral Sciences with ISISD in 1980, as group process Facilitator & Sensitivity Trainer under Dr. Pulin Garg: This approach has a deep application in most of Raja's work. He is certified in Coaching and Mentoring – with Coach University (Coach-U) USA. This is an institution founded by Thomas Leonard, the father of COACHING movement across USA.

He has also specialized in Neuro - Linguistic programming- NLP- with Dr. Richard Bundler, the founder of the Modern approach to NLP.

ACADEMIC QUALIFICATIONS

Bachelor of commerce, M.L.D.
College University of Bombay, 1973
Master of Management Studies from
Jamnalal Bajaj Institute of
Management, Bombay, 1975

CHAMPION OF SELF AWARENESS

Raja continues to be a student of Vedanta, the core of the ancient Indian and eastern philosophy; he champions the need for “Self-knowledge” for the evolution of the mind. “Self Knowledge” – the core awareness of being human - helps in understanding and overcoming many human challenges of today. It facilitates the uplift of the human spirit and enhances collaboration amongst mankind. Raja delivers inspiring talks to a wide range of audience on topics dealing with “living positive” and “Self awareness in the Journey of life”. These concepts and the clarity that they bring are an integral part of Raja's work – be it as a consultant, trainer, and social activist or as a public speaker.

SOCIAL DEVELOPMENT ACTIVIST

Raja is concerned with socio – civic-cultural issues and plays active roles in matters concerning common good of the people and towards a better tomorrow.

Fight against corruption:
Raja Krishnamoorthy played a key role in the India Against corruption movement in Tamil Nadu, in giving a clarion call for the fight against corruption. He has shared the platforms with Anna Hazare, Mrs.Kiran Bedi, and Santhosh Hegde.He regularly participates in debates, television discussions on matters concerning politics, culture and common good of the state & the citizen. His views and perspectives – with wide applicability-draw media attention. Raja spends a fair amount of his time on working with students and youth groups, besides being a guest faculty in their programs.

Motivating young minds:
He has provided clarity and motivated thousands of young minds, and students thru his inspiring talks such as Building your Bridge to the future, living positively, the power of self-belief, Values of life, Youth & leadership Collaborative team work and success mantras that sustain life.

Teachers as Leaders:
He conducts Leadership development programs, for teachers and staff of many educational institutions. He conducts workshops for teachers on “Teachers as Leaders”, Motivating young minds, The teachers and value education. He also conducts team synergy workshops for them based on specific needs

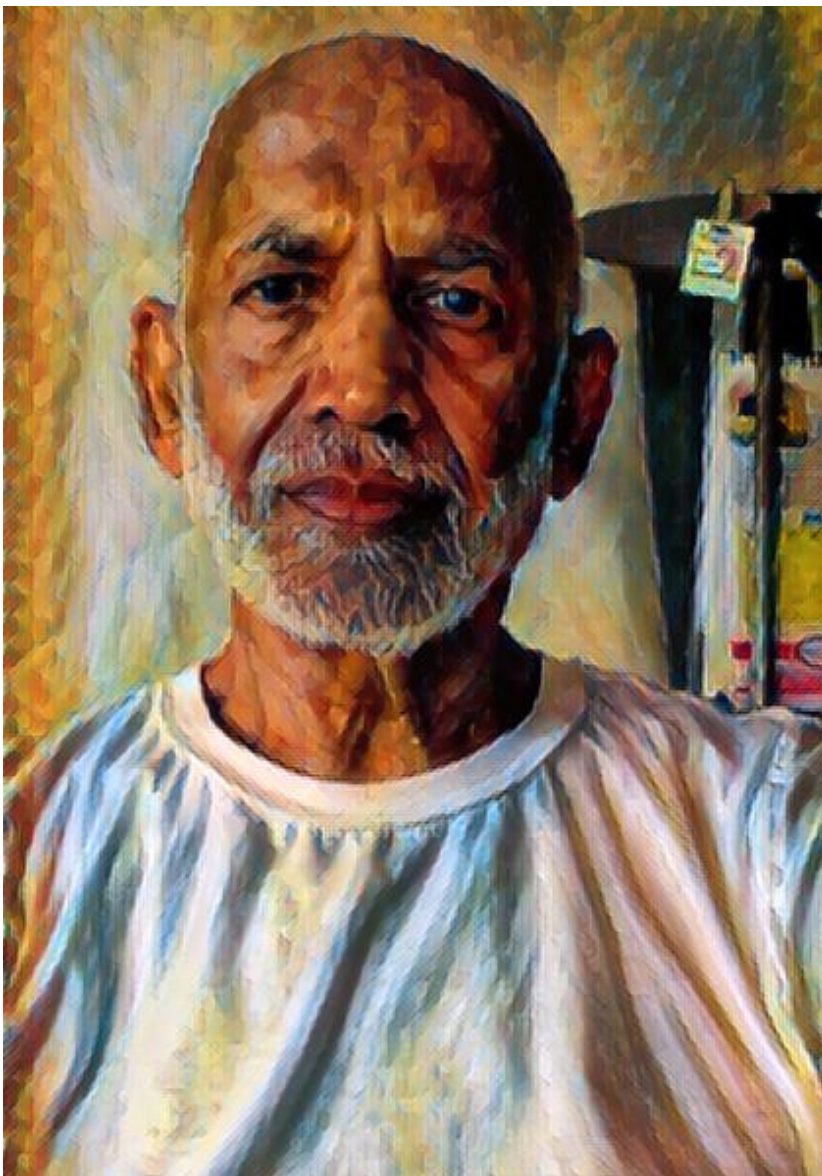

Citizen and Civic concerns:
From stopping unauthorized constructions to correcting traffic violations, from greenery & public administration Raja is hands on dealing with civic issues. He takes on all available time providing young minds a role model on Social Awareness, and conscious living. He participates in citizen’s movements that include City cleaning drives, Beach cleansing, Flood relief and educational support for the less privileged students. He encourages the Local youth in sports and games, providing support or sponsorship

RAJA - THE CREATIVE PERSON

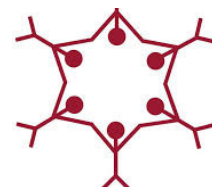

Raja has acted in many Tamil, Telugu, Malayalam and Hindi films. Popular as “Kitty”, he is a respected “character Artiste” in Indian cinema.
